Clicker Games List

Ever wondered what one quadrillion damage per second feels like? Wonder no more! Embark on your quest to attain it today!

Clicker Games

An idle/ clicker game is a genre of games defined by the primary feature of its strategy: leaving the game running by itself with minimum or zero player interaction.

Click away in these incremental clicker games that are anything but idle. We've pulled together a list of the best clicker games on the market, from Cookie Clicker to Idle Miner Tycoon, which is updated regularly so you always know what's hot

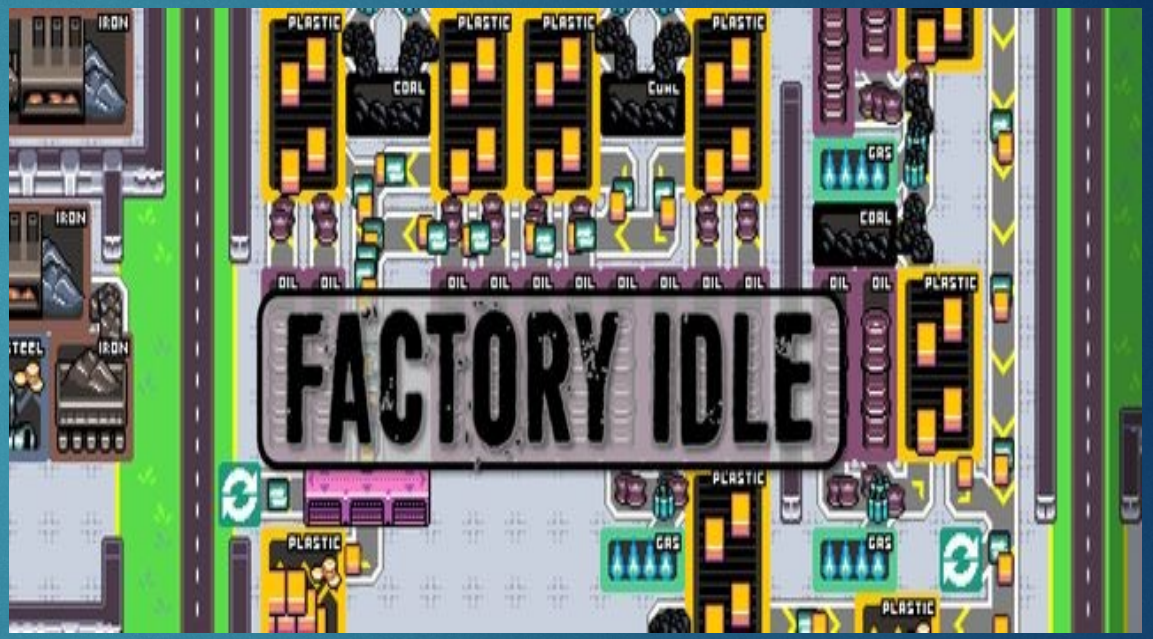
1. Cookie Clicker

- Cookie clicker is an extremely addictive incremental game! Upgrade a variety of different cookie types to grow your cookie output as fast as possible and unlock dozens of new building upgrades to boost your cookie production.

2. Factory Idle

- Factory Idle is a game to build an automated factory with many production chains. You start with simple stuff and later produce high quality military technology like tanks and rockets.



3. Adventure Capita

- AdVenture Capitalist is a free clicker adventure game for Windows and Mac PCs. Play the world’s greatest money making idle game! Organise your treasury, manage your employees and help the company grow with you in this awesome game.

4. Reactor Idle Ga

- Reactor idle is a cartoon style idle clicker game. You have to build power plants, keep heat production under control and convert it to power for a lot of money. The fun part of the game is that you can watch the current level of your reactor go up and down in real time.

5. Synergism Gam

- Synergism is an Incremental or Idle game where your goal is to gain as many numbers of synergies as possible.

6. Idle Miner Tycoon Game

- Build your own mining business and become an idle miner tycoon in this fun game! With this game build an empire, earn money, build a business, level up, make more money and get rich
